

YOU ARE INVITED TO

DEATH AT THE DINNER PARTY

A MURDER MYSTERY GAME

Welcome to Death at the Dinner Party. At the outer reaches of London's most sought-after postcode sits Emerald Hill, the city's highly exclusive gated community. When Mr Addington, the snobbish owner of the estate, is found dead on the marble floor of his en suite bathroom, it's clear that his death was no accident. Each of the residents is hiding an explosive secret, but only one of them would go so far as to kill in order to protect that secret!

Set in the '80s, when hair was big and shoulder pads were bigger, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

AMBER FOX

Everyone knows you just as "Amber" and you are the hottest new pop sensation. With your music videos on constant rotation on MTV, your latest album is set to go platinum. You've dreamt of stardom since you were a little girl, practising in front of your mirror with a hairbrush. Ambitious and single-minded, you have the looks, the talent, and the drive for world domination.

SUGGESTED CLOTHING AND PROPS:

You are instantly recognisable because of your spectacular mane of fiery red hair. Don't forget your fishnet gloves, string beads, black kohl eyes and your favoured tulle skirt!

CHARACTER ACTIONS:

Conscious of your beautiful head of hair, you can't seem to stop flicking it about. You're proud of your latest pop hit, so be sure to hum it wherever you can.

CHARACTER RELATIONSHIPS:

You feel you could learn a lot from Keith and his ability to land any magazine cover he chooses. You find him pretty easy on the eye too ... so do flutter your eyelashes at him as often as possible.
