

YOU ARE INVITED TO

DEATH AT THE DINNER PARTY

A MURDER MYSTERY GAME

Welcome to Death at the Dinner Party. At the outer reaches of London's most sought-after postcode sits Emerald Hill, the city's highly exclusive gated community. When Mr Addington, the snobbish owner of the estate, is found dead on the marble floor of his en suite bathroom, it's clear that his death was no accident. Each of the residents is hiding an explosive secret, but only one of them would go so far as to kill in order to protect that secret!

Set in the '80s, when hair was big and shoulder pads were bigger, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

— ANNABELLE WEATHERS —

You are a domestic goddess and devoted housewife. Your wealthy husband aspires to a political career and is away frequently on business, so you've made it your duty to keep an immaculate home. A self-confessed perfectionist and neat freak, you can often be found polishing your silverware or rearranging your Tupperware.

SUGGESTED CLOTHING AND PROPS:

A crisp summer dress, costume jewellery and a perm preened to perfection.

CHARACTER ACTIONS:

You're committed to cleanliness so be sure to tidy the area around you whenever you can. Bring an extra pair of rubber gloves; you never know when you might feel the need to do a little scrubbing.

CHARACTER RELATIONSHIPS:

You don't like confrontational people so you tend to stay clear of Steven when he's in one of his moods. Also, you don't think Heather's candid nature is very becoming in a lady. She really should learn to speak more tactfully.
