

YOU ARE INVITED TO DEATH AT THE DINNER PARTY

A MURDER MYSTERY GAME

Welcome to Death at the Dinner Party. At the outer reaches of London's most sought-after postcode sits Emerald Hill, the city's highly exclusive gated community. When Mr Addington, the snobbish owner of the estate, is found dead on the marble floor of his en suite bathroom, it's clear that his death was no accident. Each of the residents is hiding an explosive secret, but only one of them would go so far as to kill in order to protect that secret!

Set in the '80s, when hair was big and shoulder pads were bigger, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

CHRISTIAN EASTON

You are the only child of an incredibly wealthy London family. Never having worked a day in your life, you're spoilt and have a strong sense of entitlement. You split your time between the golf course and the tennis club, all the while attempting to swap pager numbers with the city's hottest super-models. You mostly fail at the latter.

SUGGESTED CLOTHING AND PROPS:

Chinos, boat shoes and your finest tweed jacket. It may be summer, darling, but you have an image to maintain!

CHARACTER ACTIONS:

Be sure to correct everyone on their table manners: unfortunately not everyone is as well bred as you are.

CHARACTER RELATIONSHIPS:

You can't keep your eyes off the women of Emerald Hill, Tiffany in particular. You don't have any time for Eugene, though – you can't stand the nouveau riche and their lack of proper money etiquette.
