

YOU ARE INVITED TO

DEATH AT THE DINNER PARTY

A MURDER MYSTERY GAME

Welcome to Death at the Dinner Party. At the outer reaches of London's most sought-after postcode sits Emerald Hill, the city's highly exclusive gated community. When Mr Addington, the snobbish owner of the estate, is found dead on the marble floor of his en suite bathroom, it's clear that his death was no accident. Each of the residents is hiding an explosive secret, but only one of them would go so far as to kill in order to protect that secret!

Set in the '80s, when hair was big and shoulder pads were bigger, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

HEATHER JACKSON

You are the founder and CEO of a catalogue cosmetics company. Your best-selling product, Dream Frost lip shimmer in "Call Me Coral", can be found in the make-up bags of women all over the world. You built your company from scratch and managed to hold your own in a boardroom dominated by men. There's no love life for this workaholic; you're married to your job.

SUGGESTED CLOTHING AND PROPS:

Excessive hairspray, big clip-on earrings, a power suit and your accessory of choice – your Filofax!

CHARACTER ACTIONS:

You're fed up with men dominating the conversation, so make sure to sigh or roll your eyes whenever you feel they've been talking for too long.

CHARACTER RELATIONSHIPS:

Although you're an independent woman, you have a soft spot for Christian. Be sure to laugh at his jokes and stroke his arm whenever you can. On the flip side, you can't stand Annabelle and her housewifely aspirations – you're a proud business owner and women shouldn't dedicate their lives to tidying up after their husbands!
