

YOU ARE INVITED TO DEATH AT THE DINNER PARTY

A MURDER MYSTERY GAME

Welcome to Death at the Dinner Party. At the outer reaches of London's most sought-after postcode sits Emerald Hill, the city's highly exclusive gated community. When Mr Addington, the snobbish owner of the estate, is found dead on the marble floor of his en suite bathroom, it's clear that his death was no accident. Each of the residents is hiding an explosive secret, but only one of them would go so far as to kill in order to protect that secret!

Set in the '80s, when hair was big and shoulder pads were bigger, this immersive murder mystery will see you and your fellow dinner guests become both murder suspects and detectives for the evening. Will you be able to unravel the clues, pinpoint the motives and solve the murder before coffee is served?

YOUR CHARACTER PROFILE

TIFFANY WILDE

You are a former aerobics instructor who has made your fortune from fitness video tapes. Bubbly, energetic and upbeat (sometimes annoyingly so), you've become a household name with your catchphrase, "It's time to fight the fat!"

SUGGESTED CLOTHING AND PROPS:

Never seen without your sweatbands, trainers, Spandex and scrunchie, you're ready for a workout wherever you are!

CHARACTER ACTIONS:

It's important to stay limber, so don't be afraid to fire off a few stretches at the dinner table. Brought some dumbbells? Put them to work!

CHARACTER RELATIONSHIPS:

You have respect for Heather as a fellow businesswoman and for Steven as a fellow athlete. You're not so fond of Christian, though – feel free to ignore any advances he makes towards you.
